Hi and happy April to one and all – some changes to the table this month because Thanet has become a Unitary authority from April 1st and so instead of four differently priced tariffs only one now applies resulting in the table now only having 375 entries instead of 378. Next month the usual May area league table will show you 9 years of records and how you have fared since 1999 – which is where the little table next to this article comes from (Note that we decided to swap Vale Royal for Stoke on Trent to give an example of another prime mover – others each month for your information). We have had quite a few requests for these tables this month and we should have completed these requests by the time this issue hits the deck – sorry for any delay but as we are in 2008 we have had to re-jig the whole table which needs approximately 4,000 alterations – calculations and re-sortings and this takes a little while believe me!!! Once again a very busy month this time with over 20 changes, and again loads more due next month. Remember if you are going for a rise and you would like to see your financial percentages you know where to call – **0161 280 2800 or email: npha@btconnect.com**
