Shropshire UA has adopted a single fare structure for its 5 areas so we have removed North Shropshire / Oswestry / Shrewsbury / South Shropshire from the table. The fifth area - Bridgenorth never had a taxi tariff.

Durham County UA has adopted a single fare structure for its 7 areas so we have removed Chester Le Street - Durham - Derwentside - Easington - Sedgefield & Wear Valley from the table. The 7th area - Teesdale never had a taxi tariff.

In Line with the above adjustments we have reduced the Highlands eight Areas to one entry and North Lanarkshire's three entries also to one.

The Running mile shown in italics means that the price distances set after the initial distance are not compatible with the meter drops (i.e. you can't show £1.37 per mile in 10p or 20p drops)

The Running mile shown with a * or ** means that the price distances set after the initial distance change again - either once * or twice**
